Equipment list

DJ decks, sound, lighting, microphones and screens, all PAT tested.

Decks & mixers

- **Pioneer DDJ SRT 1000**
  For party sets and corporate events, to get people dancing
- **2x Technics 1200s and a DJM S9 battle mixer**
  For showcase and scratch sets, and 70s to 90s themed events. Still gets people dancing, and is visually entertaining
- **Numark Platinum FX**
  Small, for karaoke or background DJing
- **Yamaha MG12XU 12-channel mixer**
  Flight-cased PA mixer, for bands to plug in and control the sound, or karaoke for 4 singers
- **Studiomaster XS6 mixer**
  6-channel PA mixer, for speeches or 2 karaoke singers

Sound

OPTION 1

- **2x RCF J8 speakers** (max 128dB)
  18.6kg per speaker. High quality sound with very good bass, for larger spaces up to 120 people

OPTION 2

- **2x FBT K-Lite 1000W 10" top speakers** (max 126dB)
  11kg per speaker. Lower output than option 1, suitable up to 80 people with minimal bass. Recommended for small spaces or outdoor events with sound limits

Microphones

- **W Audio wireless microphones**
  Set of 4, or a pair
- **1x Sennheiser XSW 825 microphone**
- **2x headset UHF microphones**
- **2x UHF lavalier microphones**
  Tie or collar clip
- **4x mic stands**

Lighting

- **105W moving heads**
  Sets of 2 or 4
- **2x large 120 moving heads, gobo (patterned)**
  On 2m stands, DMX, covers a 100-person dancefloor. Paired with an Obey 40 DMX controller
- **6x wireless uplighters**

DJ booths SMALL & MEDIUM

- **Equinox black foldable booth**
  1m (H) x 1.2m (W), in carry bag
- **UDG flight-cased turntable booth**
  1m (H) x 1.2m (W)

Both booths can be branded. Print work varies with finish and size.
